Artist's Reception and Wine Tasting at Thumbprint Cellars Lounge

posted: April 29, 2010, 03:53 PM

We are pleased to introduce Karli Henneman "A Work of Living Art" Saturday May 8th, from 5 to 7p.m. The show opened March 25th with an atmosphere of fun and cooperation; proceeds go directly to the artist and Imagine Art Bus North, a mobile art studio for children. www.imaginebusproject.org

Karli Henneman's paintings are a stunning display of acrylic and mixed media on canvas combining abstract lines with collage elements which are also reflected in her fashion design. What underscores Henneman's insights may be gleaned from her foreign travel to Italy, Paris, Tokyo and more recently Rwanda where she taught self-identity art classes to children through Rwanda Works (RCW).

A Parsons School of Design graduate, Kari Henneman studied gas welding and fashion styling in addition to traditional art theory and practice. After interning with fashion icon Diane von Furstenberg, she assisted internationally recognized installation artist Lisa Hoke. www.karlihenneman.com

Karli's own art fashions are available at Collective Hardware in SoHo, New York and So Shy in Paris and now here on the West Coast at this showing. Karli's exclusive art fashions are produced in collaboration with Yuri Shiller of San Francisco.
